Re: On-Site Systems, Inc. - Docket No. 02-00172
Certificate of Public Convenience and Necessity

Dear Mr. Pickney:

In our telephone conversation yesterday you indicated that you have not received a copy of the resolution passed by the town of Thompson's Station. I am enclosing for your review and files a copy of that resolution, which we received from Thompson's Station's attorney, Larry Craig. I am also enclosing a copy of Mr. Craig's letter in which he states that he has discussed with you On-Site's Certificate of Public Convenience and Necessity.

You have advised that On-Site will be filing with this agency a petition to amend its Certificate of Public Convenience and Necessity to reflect that On-Site is not seeking authority to provide service within the boundaries of Thompson's Station. Please provide copies of your filings to Mr. Craig and keep him informed of On-Site's actions relating to the Certificate of Public Convenience and Necessity.

Should you have any other questions, please do not hesitate to contact me or Mike Gaines.

Very truly yours,

J. Richard Collier

RE: Town of Thompson's Station, Tennessee
Resolution No. 03-001

Dear Mr. Collier:

This letter follows the regular May meeting of the Mayor and Board of Aldermen of the Town of Thompson's Station, Tennessee, and my meeting with you last week. I represent the Town as its City Attorney. Enclosed you will find a certified copy of the resolution adopted by the Mayor and Board setting forth their intent to go forward to provide sanitary sewer services within the corporate limits of the Town.

In that the Town was not aware of an order approving the petition of On-Site Systems, Inc. to amend a certificate of convenience and necessity which includes the "Goose Creek" area in Williamson County, Tennessee, a portion of which lies within the city limits of the Town, issued on September 20, 2002, we wish to place you on notice by providing a copy of this resolution. It is my understanding that this matter is carried by your docket number 02-00172. I have verified with the Mayor, Aldermen and City Recorder there was no letter of inquiry to the municipality prior to the filing of the petition by On-Site Systems, Inc., and likewise since that time.

On the afternoon prior to the Town's monthly meeting, I received a phone call from Charles Pickney, On-Site Systems, Inc. Mr. Pickney explained the designation of area within the Town's corporate limits was an oversight error and was very apologetic. He is agreeable, and the Town is as well, to simply amend the order to exclude the area of Thompson's Station corporate limits from the "Goose Creek" area designated in the amended certificate of public convenience and necessity.

I trust the enclosed is sufficient for your needs and should you have any questions, do not hesitate to contact me.

Sincerely,

CRAIG & DRAKE

Larry D. Craig, City Attorney

CERTIFICATE OF AUTHENTICITY

I certify that the foregoing document attached hereto is a true and correct copy of a duly adopted resolution adopted by the Mayor and Board of Aldermen of the Town of Thompson's Station, Tennessee, the original of which is maintained in the official books and records of the Town of Thompson's Station, Tennessee, the same being under my control as the duly appointed City Recorder of said town.

Dated: MAY 13, 2003

City Recorder

RESOLUTION NO. 03-001

A RESOLUTION BY THE MAYOR AND BOARD OF ALDERMEN OF THE TOWN OF THOMPSON'S STATION, TENNESSEE, SETTING FORTH THE MUNICIPALITY'S INTENT TO PROVIDE SANITARY SEWER SERVICES WITHIN THE CORPORATE LIMITS OF THE TOWN.

WHEREAS, the Town of Thompson's Station, Tennessee, was incorporated in 1990 as a municipal corporation, having a Mayor/Aldermanic Charter form of government as set forth in Section 6-1-101, et seq., Tennessee Code Annotated, and is a political subdivision of the State of Tennessee; and

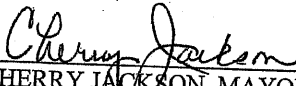

WHEREAS, by virtue of the Town's Charter and municipal law generally, the municipality is empowered to serve its citizens with sanitary sewer services within its corporate limits; and

WHEREAS, the Mayor and Board of Aldermen have deemed it necessary to undertake all necessary efforts to commence the implementation of sanitary sewer services within the Town and does desire to set forth formally its intent to serve the corporate limits as its service area for sanitary sewer purposes.

NOW, THEREFORE, BE IT RESOLVED by the Mayor and Board of Aldermen of the Town of Thompson's Station, Tennessee, as follows:

This resolution shall serve as the formal intent of the Town of Thompson's Station, Tennessee, to commence all reasonable efforts to undertake the providing of certain services within the corporate limits of the Town, to wit: sanitary sewer services. Further, it is resolved that the Town shall undertake the services of engineers and other skilled professionals, commence all necessary studies and proceed to provide sanitary sewers within Thompson's Station, Tennessee. It is the intent of the Mayor and Board to improve and enhance the quality of life for its citizens and provide ground water protection, thereby protecting the environment, by the implementation of sewers within the corporate limits.

RESOLVED this 13th day of May, 2003.

CHERRY JACKSON, MAYOR

ATTEST:

DOUGLAS GOETSCH, CITY RECORDER

APPROVED AS TO FORM AND LEGALITY:

LARRY D. CRAIG, CITY ATTORNEY
